

Mind Energy Body *School of Transformation*

12 Modules – One Weekend a Month

- **Class #1: Quantum Reality's Potential (QRP)** - Understand the Science as to why this advanced system of change works! Learn the anatomy of the energy fields/dimensions. Embody your natural gifts to sense, see, and assess subtle energy and connect to spirit guides.
- **Class #2-3: Anchor into Your Core Being** - You are already brilliant, yet a cloud can cover the metaphorical sun of your wholeness. Come learn how to reconnect to your bigger essence, universal energies, and the centered oneness of all.
- **5 Body-Centered Personality Types** - Discover the Secret Code to re-program the false self that's holding you back. Embody the 5 Steps, Skills, & Spiritual Laws to power and positive manifestation. The spiritual, compassionate, heart-centered, leader and excel personality types will be explored in detail so you advance your ability to track your client and yourself at deeper levels.
- **Class #5: Develop the Higher Mind** - From a new paradigm of advanced awakening, discover how to heal child consciousness and deep inner wounds. Identify and heal negative ego-based defenses,

beliefs, and unhealthy programming.

- **Class #6: Healing Attachment Disorders and Cultivating Healthy Relationships with Self and Others** - Learn 3 Skills of Adult Consciousness that advance Secure Attachment Patterns. Also discover the "5 Seeds of Distortion Around Love" and receive integrative solutions for internal safety and trust.
- **Class #7: Transformation of Anger to Power** - Learn to feel these difficult emotions so they transform into healthy power, wisdom, and manifestation!
- **Class #8: Trauma Protocol: Prevent Re-Wounding Self and Clients** - Innovative evidence-based techniques to prevent emotional trauma from hurting you when you (or your client) heals. You also learn to heal birth trauma, developmental trauma, and more.
- **Class #9: Healing Negative Family Lineage Patterns and Disempowered Archetypes** - Learn your "biological consciousness container" and its super power abilities to break negative archetype and painful ancestral/lineage energies.
- **Class #10: Cancer, Illness, Grief, Death, and Dying** - Life affirming techniques to heal the root causes of auto-immune challenges and help someone through the sacred process of dying.

- **Class #11: Sexual Healing** - Work with sexual energies, heal sexual trauma, and awaken your authentic power!
- **Class #12: Integration and Graduation** - Create your unique style, discover business strategies to develop a private practice, and attend a powerful graduation ceremony where deeper healing and spiritual awakening takes place.
